The format had conflicting information- on the top of page 3, it indicated a start time of 8:30, but warmups going till 8:50, and check-in for the first 10 events ending at 8:30. The meet start time will be at 9:00 am as indicated on the CSG website.

Split warmup:

7:30-8:10 am	BFST, CAST, MRA, SBA, SSD, and SDY
8:10-8:50 am	all other teams

Officials: any team who has officials that can work, please ask them to help

See page 2 for timing and job assignments

A note to all the good people attending this year's swim meet.

The Cal State Games is an organization not affiliated with USA swimming. Although CAST has run the meet for the past 7 or 8 years, we are a small team, and run the meet mostly as a service to the CSG. This year we could no longer provide the man hours to run the meet for the CSG. We let CSG know we could not run it alone, we could possibly co-host it, but found no takers. So the only way the meet would even take place was to ask the attending teams to share in the effort to put on this meet. This was stated in the very first paragraph of the meet format.

Host team: College Area Swim Team. (special note: in agreeing to host this meet, CAST will need to distribute some of the jobs to attending teams, based on size-example: timers, runner, head timer, marshall)

We hope that you will all pitch in and take on the joy of helping provide a great experience for the swimmers. ---none of the jobs require more than 1-2 minutes of training

We tried to be equitable, and understanding that traveling teams may not have many parents to help. If your team cannot fill the assigned jobs, please let us know as soon as possible. We want everyone to have a great experience, but we need your help, and don't want to see the meet disappear in the future.

Thank you!
